Mobile Billboard Advertising Works! Go straight to the source and cut out the middleman: Billboards-2Go owns and operates an exclusively-built fleet of Mobile Billboard Advertising Trucks (as shown with the GEICO ad above). Our huge mobile billboard trucks can display your advertisement in the perfect location during "prime time" to promote your Brand, Business, or Special Event. Only our mobile billboards elevate to an amazing 18 feet high, attracting more viewers than the smaller type of mobile billboards... maximizing the exposure of your advertising message, along with maximizing the value of your media budget. Give us a call to hear how we can help you promote your next event with our mobile billboards.
